EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 2/28/05, Applicant's attorney, Joseph Kovarik, requested an extension of time for the third month and authorized the Director to charge Deposit Account No. 19-1970 the required fee of \$570 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 1 has been canceled.

In claim 3, lines 1-3 have been deleted and replaced with the following language: --
(Currently amended) A syringe disposal device suitable for disposal of a single syringe having a needle having a hub, a barrel, a plunger and, on the barrel or plunger, a transversely extending portion, the disposal device including: a needle encapsulating portion;

a syringe barrel encapsulating portion; and

a syringe retention portion, wherein said syringe retention portion, having greater external dimension along substantially its whole length than an outer diameter of the syringe barrel encapsulating portion and the needle encapsulating portion, has an open end for insertion of a syringe therein and an opposed end communicating said retention portion with said syringe barrel encapsulating portion, engagement means being provided at or proximate, said opposed end of said syringe retention portion for retaining a syringe within the disposal device after
